ThinkSecure

Think Secure: Security and Data Protection at DWP 2022 eLearning Quiz

Please note that you must have completed the eLearning course before completing this quiz.

If you have not, please contact the Security Education and Awareness team via the instructions on the DWP Security Portal. If you do not have access to the DWP Security Portal, your DWP line manager can help you.

Notes:

- Enter your Employment Type and Directorate and the same email used when requesting the course
- Answer all the quiz questions.
- You must achieve a pass mark of 4 out of 5 or greater.
- You can print or create a PDF of the results after submitting, as evidence of passing for your line manager.
- Please submit your answers **ONCE ONLY** (i.e. click once on the "Submit" button)
- If you have not passed please retake the test

Thank you
